

23rd August, 1984.

Registrar of Co-operative Societies,  
G.P.O. Box 1670N,  
MELBOURNE, 3001.

Attention: Ms. M. Hopper.

Dear Ms. Hopper,

Thank you for the courtesy of forwarding a copy of the letter addressed to the Chairman, Southern Credit Association Limited. I am rather confused by its contents.

To begin with, it was received in this office on the 23rd August 1984, which appears to be two months before it was actually written. As you will see it is dated 21st October. The letter refers to Co-operative Societies (General) Regulations 1984, being approved on 7th August. I am not aware of any new regulations being introduced in 1984 and would welcome your advice in this matter.

I assume Sections 18 and 75, referred to in the letter, relate to the Co-operation Act 1981, rather than the unknown Co-operative Societies (General) Regulations 1984.

I would appreciate your enlightenment on this matter.

Yours sincerely,

  
W. W. Rawlinson,  
Executive Officer.
